## SKILLS

- **Design & Technical:** Space Planning, Layout Design, 2D Drafting, Lighting, Furniture Layouts, Sustainable.
- **Software & Tools:** AutoCAD (2D Drafting), SketchUp (3D Modeling), V-Ray, Lumion (Rendering), Adobe Suite.
- **Materials & Finishes:** Surface & Material Specification, Finish Schedules, FF&E Sourcing, Vendor Coordination.
- **Construction & Documentation:** Detail Drawings, Built Drawings, Site Analysis, Technical Drafting Standards.
- **Project Coordination:** Mood board Development, Specification Documentation, and Procurement Tracking.

## WORK EXPERIENCE

### Park Planning Intern

City of Mississauga

March 2023 – April 2023

Ontario

- Assessed over 12 policies and redevelopment guidelines, frameworks to verify consistency with urban planning standards, enhancing infrastructure sustainability outcomes and ensuring 100% adherence to statutory requirements.
- Analyzed archival data from 5 municipal databases, extracting statistical metrics to produce precise design recommendations, boosted project feasibility assessments by 18% and informed planning for redevelopment initiatives.
- Coordinated input from 8 planners and developers, aligning technical contributions with design timelines, achieving 95% overall on time milestone delivery and full compliance with regional planning and construction regulations.
- Integrated technical, regulatory, and design datasets into project documentation, streamlining interdisciplinary communication and reducing approval process by 22% overall across concurrent urban development projects.

### Design Intern

Suzanne Brown & Associates

April 2019 – February 2020

Ontario

- Designed over 15 showroom displays applying spatial composition and merchandise placement metrics, increasing visitor interaction zones by 27% and advanced visual access to priority products within display environments.
- Executed 25+ client design consultations, capturing dimensional requirements and producing customized concepts that achieved 100% compliance with predetermined functional parameters, spatial allocations, and aesthetic criteria.
- Calculated material requirements for more than 10 small-scale projects, performing supplier specification checks that reduced procurement discrepancies by 18% while sustaining quality thresholds for finishes, fixtures, and furnishings.
- Prepared cost analysis reports integrating quantity estimations, and fabrication timelines, enabling material procurement schedules that cut lead times by 15% and improved budget adherence across concurrent design projects.

### Junior Designer

K Design's

June 2016 – July 2017

India

- Compiled 35+ technical design packages from schematic drafts to installation documents, achieving 100% adherence to dimensional tolerances, specified materials, and applicable regulatory standards for all reviewed projects.
- Developed over 20 mood boards and finish presentations, integrating calibrated color palettes, texture combinations, and high-fidelity renderings that improved client approval rates by 22% overall during initial design review stages.
- Generated 2D plans, 3D visualizations, and rendered elevations using AutoCAD, SketchUp, Adobe Suite, parametric modeling, and BIM workflows, expediting internal review processes by 18% overall across concurrent projects.
- Delivered presentation-ready visual documentation incorporating annotated layouts, and material specifications, reducing client revision cycles by 15% overall and facilitating faster design sign-offs for project execution phases.

## PROJECT EXPERIENCE

### Vishwakarma Yojana: Phase 3

Project Intern, India

July 2015 – May 2016

[Project Link](#)

- Administered a rural development plan for Chharwada village, benefiting 4,000+ residents by upgrading roads, water supply, health facilities under a hybrid development model integrating urban infrastructure with rural needs.
- Championed agricultural productivity growth by 25% through modern farming techniques and while promoting 10+ local industries and generating employment opportunities for 150+ residents and fostering sustainable livelihoods.

## EDUCATION

### Urban Design

Sheridan College, Ontario

September 2022 – April 2023

### Interior Decorating

Sheridan College, Ontario

September 2017 – April 2019

### Bachelor of Civil Engineering

Gujarat Technological University, India

July 2012 – May 2016

## Accomplishments

- Event Organizer – Decorators & Designers Association of Canada
